The screenshots illustrate the Instamall app's interface across four main sections:

- User Login & Account Creation:** The first two screens show the login screen with fields for ID and password, and the account creation screen where users can register with their Instagram handle and email.
- Product Listing:** The third screen displays a product listing for "myshop_official" featuring a "언발란스 프릴 OPS" item. It shows the product image, price (\$47,000), and a detailed description: "언발란스 프릴 OPS (size free) \$47,000". Below the product are three other items: "후즈친 니트 가디건 (3 Colors)" at \$56,000 and "스터드 오픈토 힐 (15cm)" at \$143,000.
- Checkout Process:** The final screen shows the "주문 / 결제" (Order/Payment) page. It lists the purchase details: 1 item of "언발란스 프릴 OPS" at \$47,000, totaling \$27,000. The payment method is selected as "카카오페이" (Kakao Pay). The delivery address is "서울시 서초구 양재 2동 B동 1001호". The payment status is "결제 완료" (Payment Complete).
